## **CodeGreen Opens Midwest Regional Office: Expanding to Serve Our National Clients**

**CodeGreen** is pleased to announce the opening of its Chicago Office at 225 West Washington Street, Chicago, Illinois. The office further expands CodeGreen's reach to cater to its national client base that includes Cushman & Wakefield, Jones, Lang LaSalle, JPMorgan, SL Green and other national real estate companies.

This office supplements CodeGreen's existing presence in New York City and Southern California.

### **About CodeGreen**

As a leading sustainable building consultant, CodeGreen is currently working on "greening" the most square footage nationwide. We are distinctive in that we employ a professional staff of LEED accredited professionals, engineers, architects, and land-use attorneys. Our professionals work with building owners, property managers and developers to facilitate and manage green attainment or conversion of existing or new commercial office spaces. As an integral part of the LEED Process, CodeGreen works closely with design teams and building management as the liaison to the USGBC ensuring building owners and developers benefit from cost savings related to rebates and federal/state tax incentive programs.
